# Raising the bar

Newly launched law firm Bertram Fairbanks welcomed around 50 guests to a champagne reception at its new spacious offices at Pynes Hill, Exeter.

While celebrating its ambitious expansion and recruitment plans, guests enjoyed cocktails made to order by the team from Exeter-based Quayside

Distillery, in Bertram Fairbanks's very own private bar located in the Belvedere Lounge. Delicious canapés were served throughout the evening by staff from Honiton-based Milkshed Catering, and guests were invited to tour the spacious premises including the newly renovated outdoor area and the games room.
