

Fun and fizz at Bertram Fairbanks Property Promotion Party

Exeter commercial law firm, Bertram Fairbanks welcomed c.50 guests to its 'Property Party Launch' held at their offices at Belvedere House, Pynes Hill.

The event was led by Julia Knight, Partner & Head of Commercial Property who joined the Bertram Fairbanks team earlier this year. Qualifying in the South East in 2005, Julia trained and worked at specialist commercial firms, before relocating to Devon in 2009. With twenty years of experience, she advises clients on all aspects of commercial property work ranging from sole traders to large corporate entities. Dealing with sales and acquisitions, secured lending, refinancing, and lease work and all it entails, Julia has expertise in advising charities and pension funds in property transactions and the specific requirements that must be met.

Guest speakers Dan Routcliffe of Sideways Accountants and Victoria Friedlander Divisional Director Brewin Dolphin gave an informal take on the recent budget.

Julia says: "We're a niche commercial law firm in the heart of Exeter's thriving business community specialising in Property, Commercial, and Litigation and I'm delighted to be part of the team." www.bertramfairbanks.co.uk
